

Sustainable and Eco Friendly

Sustainable and eco-friendly, the 'off-grid' eco lodges sit in a tranquil woodland copse, half a mile up a private track in a small Bedfordshire village, with its own water abstraction borehole, water collection re-use, waste treatment and ground source heating.

We aspire to be a net contributor to the grid, our power supply supported in future by photovoltaic cells and other technology for micro-generation. All the eco lodges have under-floor heating from our ground source heat pump giving an efficient, even warmth throughout.

The peaceful lodges sit in a horseshoe shape with a chic guest lounge at the centre, large table and comfy L-shaped sofa, from where floor to ceiling views of the Greensand countryside can be enjoyed. From some aspects our ancient monument St. Mary's Old Church can be seen, as well as woods and a view of the countryside beyond from the balconies.

Your ready-made holiday itinerary!

Day 1

Explore the Eco Lodges and **St Mary's ancient monument** across the lane. Unpack, relax and prepare your first **family BBQ** (pre-book your hamper).

Day 2

Woburn Safari Park – road safari, foot safari and attractions. Dinner at the Flying Horse **family friendly village pub** – eat in or take out.

Day 3

Explore the **endless walks, cycle routes** or off-road mountain bike track nearby. Book our **babysitter** and take a walk to the local pub or order nearby **wood fired pizza**.

Day 4

Wake boarding at Box End Water Park or **paddle boarding/ kayaking** at Willen Lake or **wind surfing** at Brogbrough Lake. Unforgettable **star gazing** with the kids.

Day 5

Clophill Discovery walk through **Maulden Wood** and lunch at **The George Inn**. BBQ, followed by **toasting marshmallows around the fire pit**.

Day 6

A day trip to **Cambridge** – shop the boutiques, **visit Colleges** or enjoy **punting** on the River Cam. Endless restaurants and picnic options.

Day 7

Lunch at the **Olde Watermill Shopping Village** with a play barn for the little munchkins or visit **Shuttleworth Aeronautical and automotive collections** and **look for the peacocks at the Swiss Garden**.

Family Friendly Accommodation

Clophill Eco Lodges has literally everything going for a fantastic family break, including interconnecting rooms, newly refurbished bedrooms, kitchen and large lounge/diner, a BBQ area and bike shed, fun family activities AND a babysitting service!

There are four beautiful Eco Lodges, each with floor to ceiling windows and a large outdoor balcony sheltered by the greenery of the woodland cops, making it feel like a tree house – the perfect place to enjoy a glass of wine after the children are in bed!

The large central guest lounge and kitchen offers the perfect place to socialise and enjoy time together (there is even a kids' corner for the little ones to congregate and do their own thing), and when the sun is shining guests make the most of the large outdoor space, fire pit and BBQ area – all in a safe area for children.

Fun Family Activities

The Clophill experience offers more than just beautiful accommodation – on our 'family escapes package' you have access to a range of on-site family activities including foraging, bush skills or a tower tour of the beautiful scheduled ancient monument 'St Mary's Church', with stunning views up high across Greensand Country. Other free activities to keep the little ones busy include 'from the door' discovery walks and a campfire area, perfect for toasting after dinner marshmallows.

Once you arrive at the Eco Lodges, you'll feel a million miles away – many of our guests choose to ditch the car and immerse themselves in the countryside and tranquility the Eco Lodges provide. We're always on hand to help you organise your activities to get the most out of your stay, including our on-site mini shop, providing ice creams and soft drinks and pre-ordered BBQ hampers.

Local Experiences & Attractions

For the more adventurous the opportunities are plentiful, from city-based activities such as boutique or antique shopping in nearby Ampthill or Hitchin or a day trip to Cambridge, less than an hour's drive by car, to local activities including kayaking, windsurfing, horse riding or John Bunyan boat trips and an abundance of local nature reserves, parks and museums – Woburn Abbey Deer Park, Marston Country Park and the beautiful Ampthill Park, Shuttleworth aeronautical and automotive Museum and Swiss Garden, Bedford Museum or the Higgins Art Gallery & Museum.

And if you need a break from the kids after a fun packed day of attractions, we offer babysitting services at an additional cost. The nearby Flying Horse or Stone Jug (known for great real ale) are within walking distance and a clear favourite with guests, as are the local woodfired pizzas.
